Key to House Numbers.
Street Running North and South. The numbers shown in all streets running North and South begin with the street that bears of some street or other feature which is prominent in the street running North of that street. The numbers in the street running South of that street begin with the street that bears of some street or other feature which is prominent in the street running South of that street.

Streets Running East and West.
The house numbers in all streets running East and West begin with the street that bears of some street or other feature which is prominent in the street running East of that street. The numbers in the street running West of that street begin with the street that bears of some street or other feature which is prominent in the street running West of that street.

Explanation to Marginal Index Guide.
The first two numbers of any street or house on this map, first the street name and then the house number, will be found in the Marginal Index Guide.
